

Brown Act Compliance

As of January 1, 2024, the Board will resume adhering to Ralph A Brown Act open meeting requirements. All board meetings will take place at the school site with only Brown Act allowable exceptions. We will continue to broadcast meetings live on Zoom.

Public Comment

If you wish to share your thoughts and suggestions with our Board, there are several ways you can do this:

- Address the Board directly during the public comment section of the meeting by signing up in-person prior to the start of the scheduled meeting.
- Submit written testimony or comments for the Board to the business manager (shovencamp@baypointprep.org) by 4:00 p.m. on the day of the meeting.

Can't Make It?

If you cannot attend a regular meeting in person, as a courtesy, meetings are streamed live on Zoom. Minutes for all board meetings are available at the meeting or on our website.
