

5 Reasons to Complete Free or Reduced-price Lunch (FRL) Applications

A single FRL Application affects many areas! Filling out the FRL Application may help provide:

1. **Increased Funding to Support Student Education**
2. **Additional Funding for Technology & Internet Access**
3. **Provides Discounts of Fees Associated with College Applications**
4. **Provides Scholarship Opportunities & Discounted Fees for SAT, ACT, and AP Tests**
5. **Additional Funding for After School Enrichment Programs**

EVERY FRL APPLICATION COUNTS!

FRL Applications are important for our schools for many reasons. These applications impact how much funding a school receives and determine eligibility for other programs that help support students.

We strongly encourage all parents/guardians to submit an FRL Application at the beginning of the school year. Completing an application takes less than 10 minutes, and families only need to complete one for the household.

Every FRL Application that is not submitted means lost resources for our schools!
